Meet the Principal:

We are starting this year off right by teaching the students how they should maintain their behavior in the classroom, in the cafeteria, in the hallways, on the playground, in the bathroom, in the library, and in the computer lab. This year your child will be able to earn monthly rewards through out PBIS system. Every 4 1/2 weeks your child may be eligible to attend an event. The students will have an opportunity to earn signatures on a daily basis by achieving A's in conduct. Don't worry, we know our children aren't perfect, so they will only have to use 50% of the possible signatures to attend an event, and they cannot have an office or bus referral for the PBIS marking period. The first PBIS marking period ends on September 5th. We want our students to continue with positive behavior as many days as possible, which means the students will be able to focus in class and get more work completed during the school day. This system will reinforce some life skills like saving for things that they want to earn. Many students will have more than enough signatures to attend, so students may purchase items from the PAW Mart. A list of the items and upcoming events were sent home in test folders the second week of school. The next PBIS events will take place September 13th - 15th, so be on the lookout for letters explaining the event.

Progress reports will be available in the Student Progress Center on Thursday, September 7th. Don't forget to join us for our Texas Roadhouse Dine to Donate on September 7th starting at 3pm. Help your child's homeroom class win a Roll Party this year! Our EPI brochure fundraiser will end on September 12th. Please help our school raise money to make improvements to our building. Feel free to contact me with any questions at 876-1007.

LaCest Campbell, Principal

Assistant Principal News:

September will fly by at Oakshire. The students will be treated to Toys R Oakshire for earning signatures on their Bear Buck/Cub Cards and not receiving any office or bus referrals. What an accomplishment! For this activity, we will have indoor and outdoor games for the students to play and concessions will be sold. Due to this activity being held at Oakshire, students are allowed to dress down if they have enough signatures to do so. Our next PBIS activity is our Field Trip Reward. Students will begin tracking for the trip on 9/6/23 until 10/4/23. They will not be allowed to dress down for the trip due to leaving school property. Students will be allowed to purchase PBIS passes for a number of items with their left over signatures. Before we know it, we will be getting ready for our PAW Party scheduled tentatively for 11/7/23. Please be reminded to check your child in the morning to ensure he/she is wearing the required school uniform. Also, if your child has belt loops, a belt must be worn. The fun never stops at Oakshire, as we come together with you to build up our students to be productive citizens.

Best Regards,

Mrs. S. Kraemer

At Oakshire, we are building our foundation one brick at a time, one academic skill at a time, and one kid at a time!

Intervention Content Leader News

Beginning of the school benchmarking assessments are now complete. Your child has completed IXL diagnostic tests, Achieve 3000 level sets and DIBELS 8 benchmark assessments. DIBELS reports were sent home last week, and IXL reports are being sent home today. Look for them in your child's test folder. Teachers will be working with students providing remediation and enrichment depending on your child's needs. If you have any questions or concerns don't hesitate to contact your teacher or myself. With all of us working together, I know we will see student growth.

Meet the School Counselor

Hello and welcome back to Oakshire Elementary School! I am Leshecca Norman, your school counselor. I am beginning year 28 as an educator and I am also Licensed Professional Counselor (LPC). I will be working with our school's administrators, all teachers and staff, students, parents, and community partners to aid with our students academic and social development and needs. I will be meeting with students individually, in small groups, and whole class settings to meet their needs. All students will receive a whole classroom lesson once a month on a specific topic geared towards positive behaviors. I am also available to meet with parents to address concerns Mondays -Wednesdays 8:30-3:30 and Fridays 11:30-3:30. I can be contacted at (485) 876-1007.

Reminders:

- Car riders are issued student pick-up tags which must be on display when student is picked up.
- Students cannot be checked out after 3:25 PM.
