Chevron Fuel Your School –Deadline Oct. 31st
How Teachers Apply for Funding
To sign up and request funding for your eligible classroom project, follow these three simple steps:
  1. If you're not yet a registered teacher on DonorsChoose.org<http://www.donorschoose.org/>, sign up now. It will save you time when you actually post your project.
  2. Post your project at DonorsChoose.org<http://www.donorschoose.org/> (requesting up to $2,000 in materials).
  3. Spread the word about the Fuel Your School program, and be sure to go to Facebook<https://www.facebook.com/ChevronFuelYourSchool> and "like" Chevron Fuel Your School.

Entergy's Micro Grants—Deadline, applications may be submitted at any time.

Through Entergy's Micro Grants Program, we accept requests for up to $1,000 in all program areas: arts and culture; community improvement/enrichment; economic development, education/literacy, environment and healthy families.

If you are starting a new application, click here to access and submit an online application form.

You will have to attach the organization's W-9 form to the application.— please contact the Grant Liaison for this information and for the Tax ID.

Important:

Please fill out an Intent to Apply form and submit it to your Principal prior to applying for grant funding. The forms are on the grant page of the TPSD website and on the public server.

Newsletter Spotlight

  Good Grant writing is concise. It saves time for the reader but still presents a complete picture of what you are trying to say.

  To be concise:

- Avoid wordy expressions and unnecessary repetition

- Use sentences that are to-the-point

- Include only relevant material
