For grant requests of more than $5,000 Deadlines are February 1 and August 1

Connect Your Budget to your Need

Every dollar you request should be directly tied to how will help you achieve the proposed outcomes of your project—in other words, all budgeted funds should be tied to student achievement! Make sure that there is nothing in the budget that isn't clearly explained in the description of your project. Be transparent and accurate in showing how the funder's money will be spent.
