### NEA Foundation

The NEA Foundation provides grants to improve the academic achievement of students in U.S. public schools and public higher education institutions in any subject area(s). The proposed work should engage students in critical thinking and problem solving that deepen their knowledge of standards-based subject matter. The work should also improve students' habits of inquiry, self-directed learning, and critical reflection. <https://www.neafoundation.org/pages/grants-to-educators/> *Deadline June 1st* **Link to past funded projects in LA:** [http://www.neafoundation.org/listings/grantee-archive/?filter\[label\]=State&filter\[type\]=2&filter\[value\]=LA](http://www.neafoundation.org/listings/grantee-archive/?filter[label]=State&filter[type]=2&filter[value]=LA)

### Sol Hirsch Education Fund Grants

These are awarded annually to teachers/educators of grades K–12 to help improve the education of their students, school and/or community in the science of meteorology. The Grant is intended to allow teachers to: 1)Purchase scientific materials and / or equipment for the classroom, school or community 2)Begin new school and / or community science outreach and education programs. 3)Enhance and / or expand existing meteorology / science education programs. 4)Attend accredited courses, workshops and / or conferences related to meteorology that will significantly enhance their teaching activities. <http://www.nwas.org/grants/solhirsch.php> *Deadline: June 3rd*
