### Message from the principal....

Dear Schriever Elementary Families,

We are very close to the end of the 2023-2024 school year, spring benchmarking for literacy and math skills is well underway to determine how much growth our students have made over the course of the year. Individual reports will be sent home within the next week for DIBELS and IXL Math.

Our third grade students have completed LEAP 2025 to show what they have learned based on the third grade standards. Individual student reports will be sent home at the beginning of the next school year.

Students will be recognized for their academic accomplishments this school year. End of year programs are scheduled as follows:

- May 14th: Pre-K 9:30 AM  
Kindergarten 1:30 PM
- May 15th: Grades 1-3 Academic Awards 9:30 AM  
(Invitations will be sent to students receiving awards.)

Individual classrooms will present awards to students on May 17th.

It has been a pleasure working with each and every student this school year. Thank you for entrusting us with your children and supporting our school vision. We are looking forward to next school year!

#### Important Dates:

- Family Day- May 17th
- Report Cards- May 20th available in SPC

Educationally Yours,  
Miranda Babin, Principal

### Character Building

Safety Matters is one of our PBIS school expectations. Teachers assist the students in practicing how to be safe at school all year long.

#### How to be safe on the bus:

- Keep hands and objects inside the bus and out of the aisles
- Stay in your seat at all times
- No eating or drinking on the bus
- Listen to the bus driver, your safety depends on it

#### How to be safe in all areas of the school:

- Keep hands, feet, and objects to yourself
- Walk at all times
- Watch where you are going

We just have a few weeks left of school, parents please review with your child how to be safe at school.

Have a safe and happy summer!  
Natalie Fonseca, Assistant Principal
