

Schriever Elementary

February 2024

PAWS Press

Message from the principal....

February is a month of celebrations! Throughout the month, we will be celebrating African American History Month learning about accomplishments of many African Americans.

We are also celebrating all the hard work our students have done so far this year. Our students have completed mid-year benchmarking to monitor Literacy and Math skills. Students are making progress toward their individual learning goals.

The involvement and understanding of all stakeholders in our school community is critical to the success of your child(ren). Family events provide opportunities for parents, students, and educators to engage in learning activities that are focused on grade level standards. Each year we ask for input to help make decisions for school improvement. We appreciate the feedback we received to help improve the learning experiences for our students. Our next Family Learning Night is February 28th @ 6 PM.

The safety of our students is our utmost priority. During the school day, crisis drills are practiced with our students to keep our students safe in a number of situations. We are fortunate to have two crossing guards to direct traffic during arrival and dismissal. (Arrival time is between 7:30-7:50 AM. Dismissal time begins at 3:00 PM.)

Important Dates to Remember:

- ❑ February 1st - Online Pre-K Application available

www.rstenroll.schoolmint.com

- ❑ February 5th - 1-3 Progress Reports
- ❑ February 12th - 16th - Mardi Gras Holidays

Educationally Yours,
Miranda Babin, Principal

Each and every student at Schriever Elementary will strive for success in academics and behavior.

Character Building

What is the definition of bullying?

"Bullying is when you keep picking on someone because you think you're cooler, smarter, stronger or better than them." There are two components in the above definition of bullying for kids that make bullying unique. Bullying is a repetitive act that occurs over time. This differentiates bullying from aggressive acts that occur only once. Bullying involves an imbalance of power between the bully and the victim. Guidelines should and must be established for respectful behavior to eliminate bullying. Bullying is not respectful behavior.

Ms. Fonseca
Assistant Principal

PTC NEWS

Thank you for your continued support! The next meeting will be in February 6, 2024 @ 5:30 PM.

Home School Connections

Logging into Google is easy if you follow a few steps. Once you have logged into Google Chrome, in the top right corner of the screen under the web address bar there will be the Google Apps icon. It is also called the "Google Waffle" which is nine tiny dots that make a square. Clicking on it will open all the classes your child is assigned to. Once you open a classroom you should read any messages in your "Stream". Click on the "Classwork" tab to get to any assignments you need to complete. Scroll down the page to click on your assignments. You must also click on "Turn In" when you have completed each assignment to get credit for it.

Thanks for your Support:

PBIS Family Support

Expressing feelings can help your child forgive others. Have your child use words to explain why he/she might be upset.

Upcoming PBS Events:

January Monthly Reward-
Winter Fun

LEAP 2025 Testing Information

Students in grade 3 will take LEAP assessments at the end of the year to measure their knowledge and skills in ELA, Math, and Science.

Your child can practice typing at home to be proficient in typing skills for the constructed response items.
