Website - https://jpweb.tpsd.org/progress/

Student Progress Center features - *student records:* Grades, Attendance, Discipline, Transcript, Test, Communication, Documents

Digital Report Cards - Digital report cards are available on the student progress center under 'documents.' *Schools no longer print report cards.*

Parent/Guarding Log-In

First Time User
- Select 'Register a New User'
- Complete step-by-step information
  - Use the drop down menu to select the relationship to the student (information must match the data in the schools database)
- PSN - last five digits of student's SSN

Current User
- Username and Password remain the same

Linking Multiple Students
- Select "Make Selection" - top right (computer) OR Drop down menu - top left (mobile)
- Select 'Link students'
- Complete student information
- Select the student

Information selected must match the data in the school's database for each student. Contact your student's school for log-in issues.

Student Log-In

Student Username

- Student initials plus the last four digits of the student id number

- Example:
  - Student name -John Paul Doe
  - Student ID 0001234
  - Student username - **JPD1234**

Note

- Student's may request a password change if needed through their teacher.
- Students are not to share their log-in information with anyone. Parents/Guardians are to create a parent/guardian account.

***Student accounts are for grades 5 - 12.**

Student Progress Center app coming soon!
