A NOTE FROM THE PRINCIPAL:

I am looking forward to the students returning to school, on Monday, August 7th. We hope everyone had an enjoyable summer! I would like to thank all of the parents and/or guardians who attended our Meet & Greet on Friday. It was wonderful seeing and/or meeting each of you. We will be hosting Open House on August 22nd. Parents are reminded to join the SEC Facebook page and to view the SEC webpage weekly for important information. School pictures will be taken on **Friday, August 25th at 8:15 AM**. Check your child's folder for the Picture envelopes which will be sent home soon. Students folders will be sent home each Tuesday. Please remember to check their folders and return them on Wednesday.

It is important to have a clear vision for what we as a school community want to accomplish. How can parents and/or guardians help strengthen our vision? This can be done by checking your child's folder for school information and/or academic information. Our monthly calendar will include important monthly dates and upcoming dates. Again, thanks for your continued support in keeping the home school line of communication open. If you have any questions or concerns please feel free to contact me at 985-303-4832.

Educational yours,
Tammy Camille

OUR VISION:

"We believe students with significant cognitive disabilities such as communication, physical, and/or sensory related challenges are capable of remarkable growth and achievement in the right environment. We **EXIST** to create that environment; and teaching students with a research based curriculum that promotes individualized academic growth, transition, and functional life skills."

S.E.C. MISSION: We are Engaging, Educating, and Empowering Every Student, Every Day!

Building 36 - Mrs. Hebert

Welcome to the 2023-2024 school year! I'm delighted to join the SEC team! We will work on rules, procedures, and 1st grade math, ELA, and social living. I'm looking forward to a fantastic school year!

Building 29- Mrs. Brown

Welcome back to school!!! I hope everyone had an awesome Summer!! A new school year means new beginnings, new adventures, and new challenges. This month, the students will learn about life in and around the ocean. It will also include lessons involving animal and plant life, as well as how people use the ocean for recreation and leisure activities.

Individuality makes us different, respect brings us together.

Building 34- Ms. Misty Cavalier

Welcome back to school!!

We hope you had a wonderful summer. This month we will be working on rules and regulations of the school and the classroom. We will also be reviewing, and begin working on addition and subtraction for 2nd graders and multiplication with 3rd graders.
