A NOTE FROM THE PRINCIPAL:

Greetings to all of our wonderful SEC parents and/or guardians. We have a Field Trip scheduled for Friday, November 4th to Petsmart. Permissions slips for the Field trip were sent home last Tuesday. Our School Spirit Shirts have been ordered as soon as we receive them we will sent them home. Our Thanksgiving break is November 21st- 25th. Students return to school on Monday, November 28th. We would like wish all of our SEC families and students a **Happy Thanksgiving**. If you have any questions and/or concerns please call us at 985-303-4832.

OUR VISION:

"We believe students with significant cognitive disabilities such as communication, physical, and/or sensory related challenges are capable of remarkable growth and achievement in the right environment. We EXIST to create that environment; and teaching students with a research based curriculum that promotes individualized academic growth, transition, and functional life skills."

S.E.C. MISSION: *We are Engaging, Educating, and Empowering Every Student, Every Day!*

Building 28- Ms. Amber Boudreaux

We're super excited learning this month, we can't wait to start learning about the solar system, and how to Earth and sun work together. Don't forget that we have our PetSmart field trip on the 4th. Later in the month we will have some awesome activities to help celebrate Thanksgiving, and show our kids what we are so very thankful for.

Building 29- Mrs. Brown

This month's theme is Around the Solar System and we will focus on Earth and Space Science. We will study the moon, sun, and the planets. The students will learn how the objects in the solar system can affect the Earth. This month we will be going on a field trip to PetSmart. The students will get a chance to see the animals in the store and learn how to care for them daily. Also, our class will participate in various Thanksgiving activities.

Happy Thanksgiving from Unit 29.

Building 31- Ms. M.Cavalier

We had a great October let's continue with a great ending of 2022. This Month we will be learning more about fall, Thanksgiving and giving thanks. We will continue learning subtraction, nouns and sentence structure.

Thank you parents and students for your assistance and participation with all of our class activities in sending treats and shirts. Our students created Halloween T-shirts.

Happy Thanksgiving!!

S- SMILE

Building 26-Mr. Thompson

We are excited about learning in the month of November. We will learn more about antonyms and synonyms, proper and common nouns, and to continue to learn how to sound out and say words. We are reading about trustworthiness and how to practice it. For the month of November will learn about giving.

Building 32- Mrs. Robinson

We are looking forward to the month of November at SEC. We will travel through the Solar System using the Unique Learning System curriculum this month. We will also begin in depth Transitional Training with Louisiana Rehabilitation Services, Terrebonne ARC, and Unique Learning Transitional Program.

We are back in the community doing monthly Community Based Instruction with the students. The students enjoy engaging and learning about their Community in Terrebonne Parish. My students and I are looking forward to our Thanksgiving break.

Happy Thanksgiving!!!

Building 34- Mrs. Mary Lou Eubaire

This month we will be learning about the Solar System. We will be exploring the space, galaxy, moon, earth, and planets (rocky planets/gas giants). We will also have lots of thanksgiving fun activities. My team and I would like to take this opportunity to thank you parents and/or guardians for your support, you are very much appreciated!

We are exceptionally amazing!!!

Building 36- Mrs. Mary Parfait

October was full of fun activities. Our class had a great time visiting the pumpkin patch and look forward to the next community outing. Students will learn that the Sun is a star and that Earth revolves around the Sun. Students will also learn that the position of Earth in relation to the Sun that makes day and night and the seasons of the year.

We're a rainbow of possibilities!
