A NOTE FROM THE PRINCIPAL:

Wow! We had an awesome first month of school. I would like to thank all of the parents and/or guardians who attended our open house in August. It was wonderful meeting each of you. Progress reports for the first nine weeks will be found in the parent portal on September 7th. Please join our SEC Facebook page, "School for Exceptional Children STARS" and visit our website for school information and updates. It is important to have a clear vision for what we as a school community want to accomplish. How can parents/guardians help strengthen our vision? This can be done by checking your child's folder for school information and/or academic information. Our monthly calendar will include important monthly dates and upcoming dates. Again, thanks for your continued support in keeping the home-school line of communication open. If you have any questions or concerns please feel free to contact me at 985-303-4832.

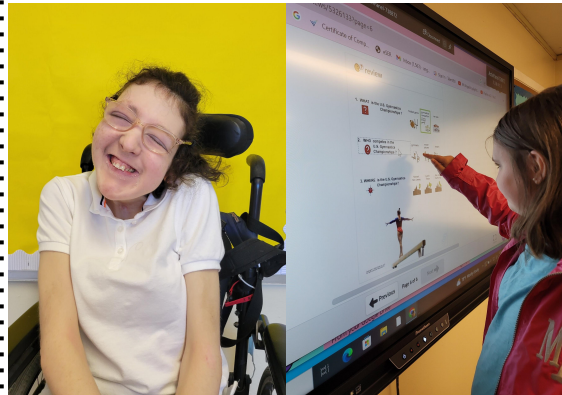

Educational yours,
Tammy Camille

OUR VISION:

"We believe students with significant cognitive disabilities such as communication, physical, and/or sensory related challenges are capable of remarkable growth and achievement in the right environment. We **EXIST** to create that environment; and teaching students with a research based curriculum that promotes individualized academic growth, transition, and functional life skills."

S.E.C. MISSION: We are Engaging, Educating, and Empowering Every Student, Every Day!

Building 36- Mrs. Beverly

We are continuing to focus on school and classroom rules and procedures. In Science, we are conducting investigations and recording our observations. In Math, we are focusing on units of ten in 1st/2nd grades and multiplying and dividing equal groups in 3rd/4th grades.

Building 29- Mrs. Brown

Theme: Living With Rules and Laws

For the month of September, the students will learn about rules and laws that impact their daily lives. They will also learn that many rules and laws are made to keep people safe.

"Every student can learn, just not on the same day, or in the same way".....George Evans

Building 34- Ms. Misty Cavalier

We had a wonderful opening of school. Thank you parents and students for your assistance with starting the school year out so great. In the month of September, we will continue working on reading and writing skills. Our classroom library is ready for student use. The students are learning our library rules and regulations. We are excited that the students are starting to enjoy the other resources within our classroom.

"OUR CLASS IS AWESOME"

Building 26- Mrs. L. Fountain

**Our Focus is :
LIVING WITH
RULES AND LAWS**

I promise to do my best
and stay a CHAMPION!

Building 32- Mrs. Robinson

We are already in the month of September. We celebrate and thank all workers for doing their jobs everyday! Our ULS lesson for this month is Living with Rules and Laws. We will identify laws and rules in the home, school, and community. Please remind your child about the rules they should follow at home and how they help to keep everyone safe and happy.

Building 28- Mrs. Mary Lou

Students are learning routines and procedures quickly. So proud of y'all! For this month, Unique Learning lessons is about Living With Laws and Rules, students will learn about why we have rules and how it impacts our daily lives. This unit also talks about people working in groups to solve problems using a variety of source.

"We are exceptionally amazing!"

Building 31- Mrs. Mary Parfait

August was a fun filled and successful month! In the month of September will we discuss rules at home and school. Our students will also learn how to keep safe.

We're a rainbow of possibilities!
