**CAR RIDER & STUDENT DRIVER PROCEDURES:**

- Students are not allowed on campus before **7:10 AM**
- Entrance/Exit onto campus is **ONE WAY** traffic at all times.
  - South driveway is the Entrance (2 lanes - see included maps)
  - North driveway is the Exit (2 lanes - see included maps)
- During take-in/dismissal, the main driveway in front of ST/LMS is reserved for **BUSES ONLY**. Buses always have the right of way.

**CAR RIDERS:**

Student Drop Off: Parents should enter campus through the **south** driveway and remain in the **left lane**. Turn left at the second driveway directly behind the LMS campus. All students are to be dropped off in this area (see map). STHS students will use the breezeway by the auditorium to get to the STHS campus; LMS students will enter through the rear door of the LMS campus. After drop off, parents should turn right into the second parking lot driveway and then turn left onto the driveway in front of the stadium. Continue to the exit at the north side of campus, yielding to buses. *During Inclement Weather*, students can be dropped off in front of campus **after buses exit the driveway**.

Student Pick Up: Parents should enter campus through the **south** driveway **NO EARLIER THAN 2:20 PM** and should remain **on the shoulder of the right lane** until buses have cleared from the main driveway. Once buses have cleared, parents can enter the main driveway and pick up students from the front of each campus as follows:

- **LMS Parents** - stay in the right lane of main driveway
- **STHS Parents** - stay in the left lane of main driveway
- Pick up from **both schools**, stay in the right lane.

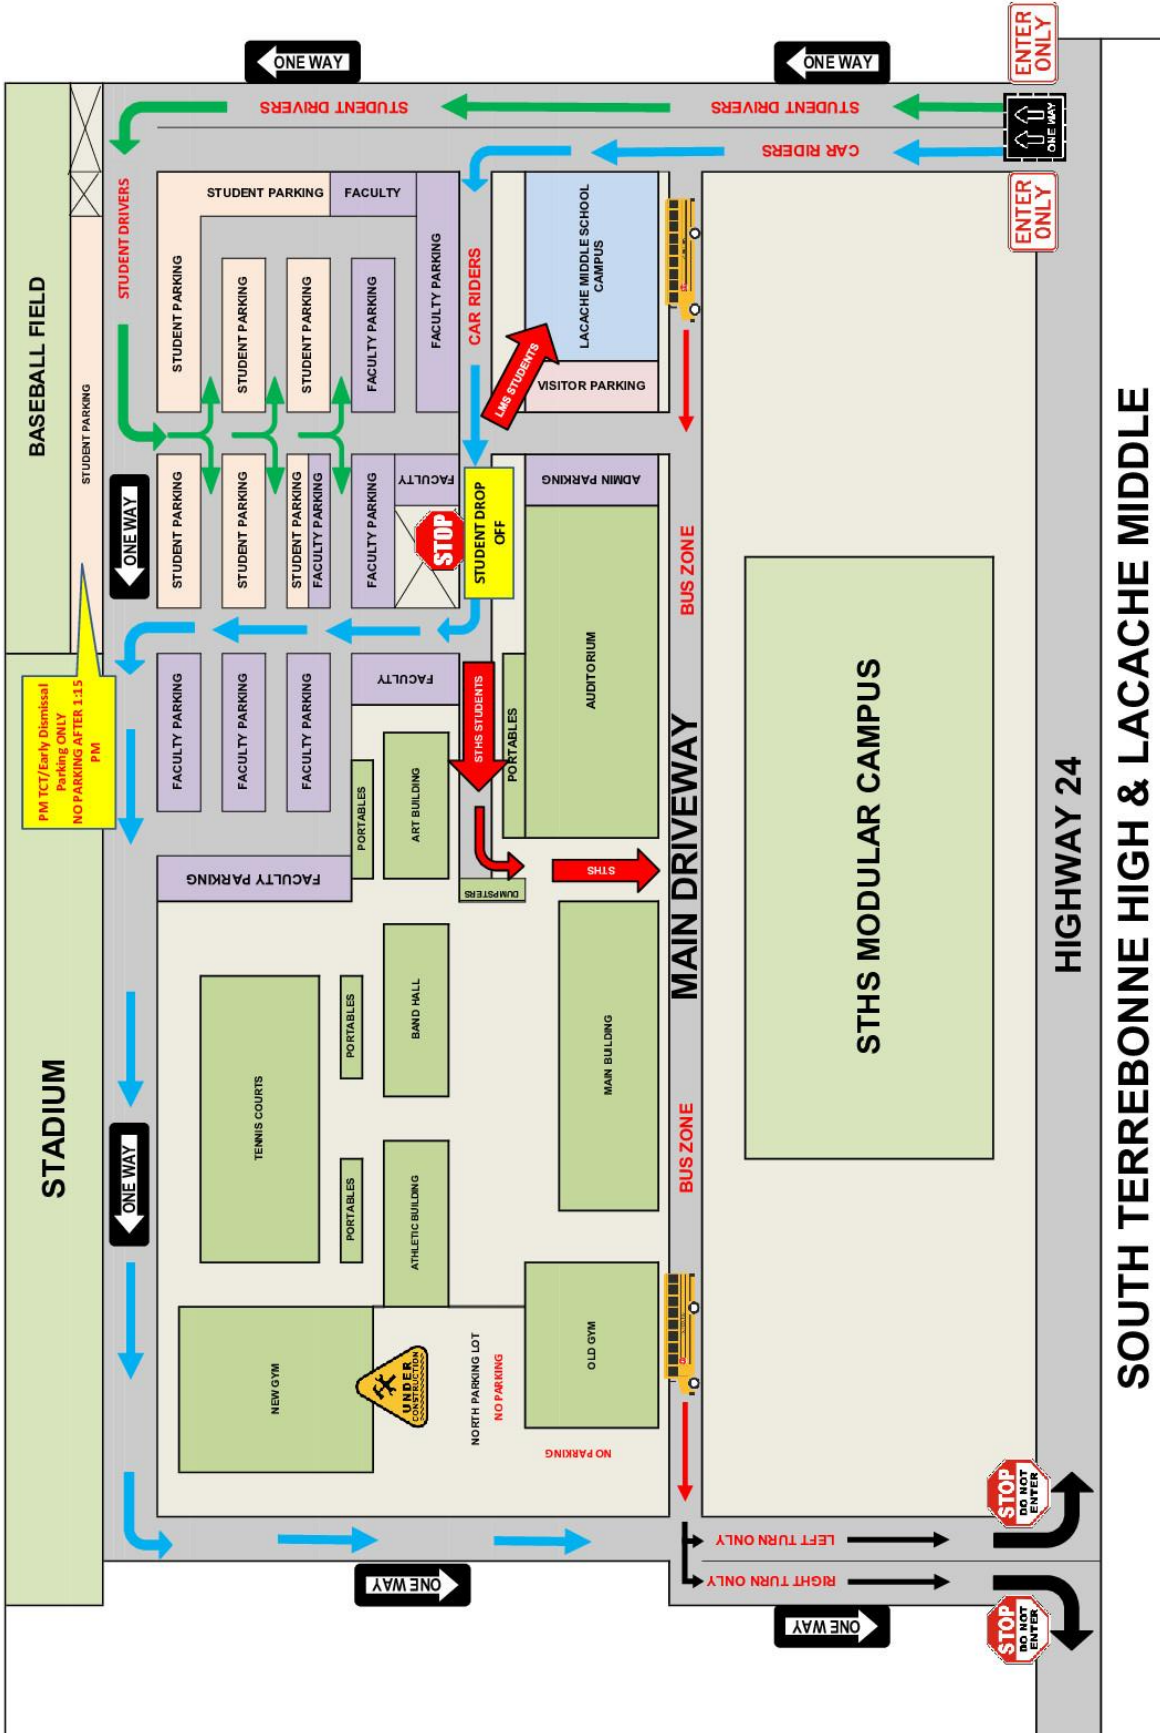

**STUDENT DRIVERS:**

Take-In: Student drivers should enter campus through the **south** driveway and remain in the right lane, following the driveway until reaching the **first** parking lot entrance. Students should use extreme caution and slow speeds when driving through the parking lots due to increased traffic.

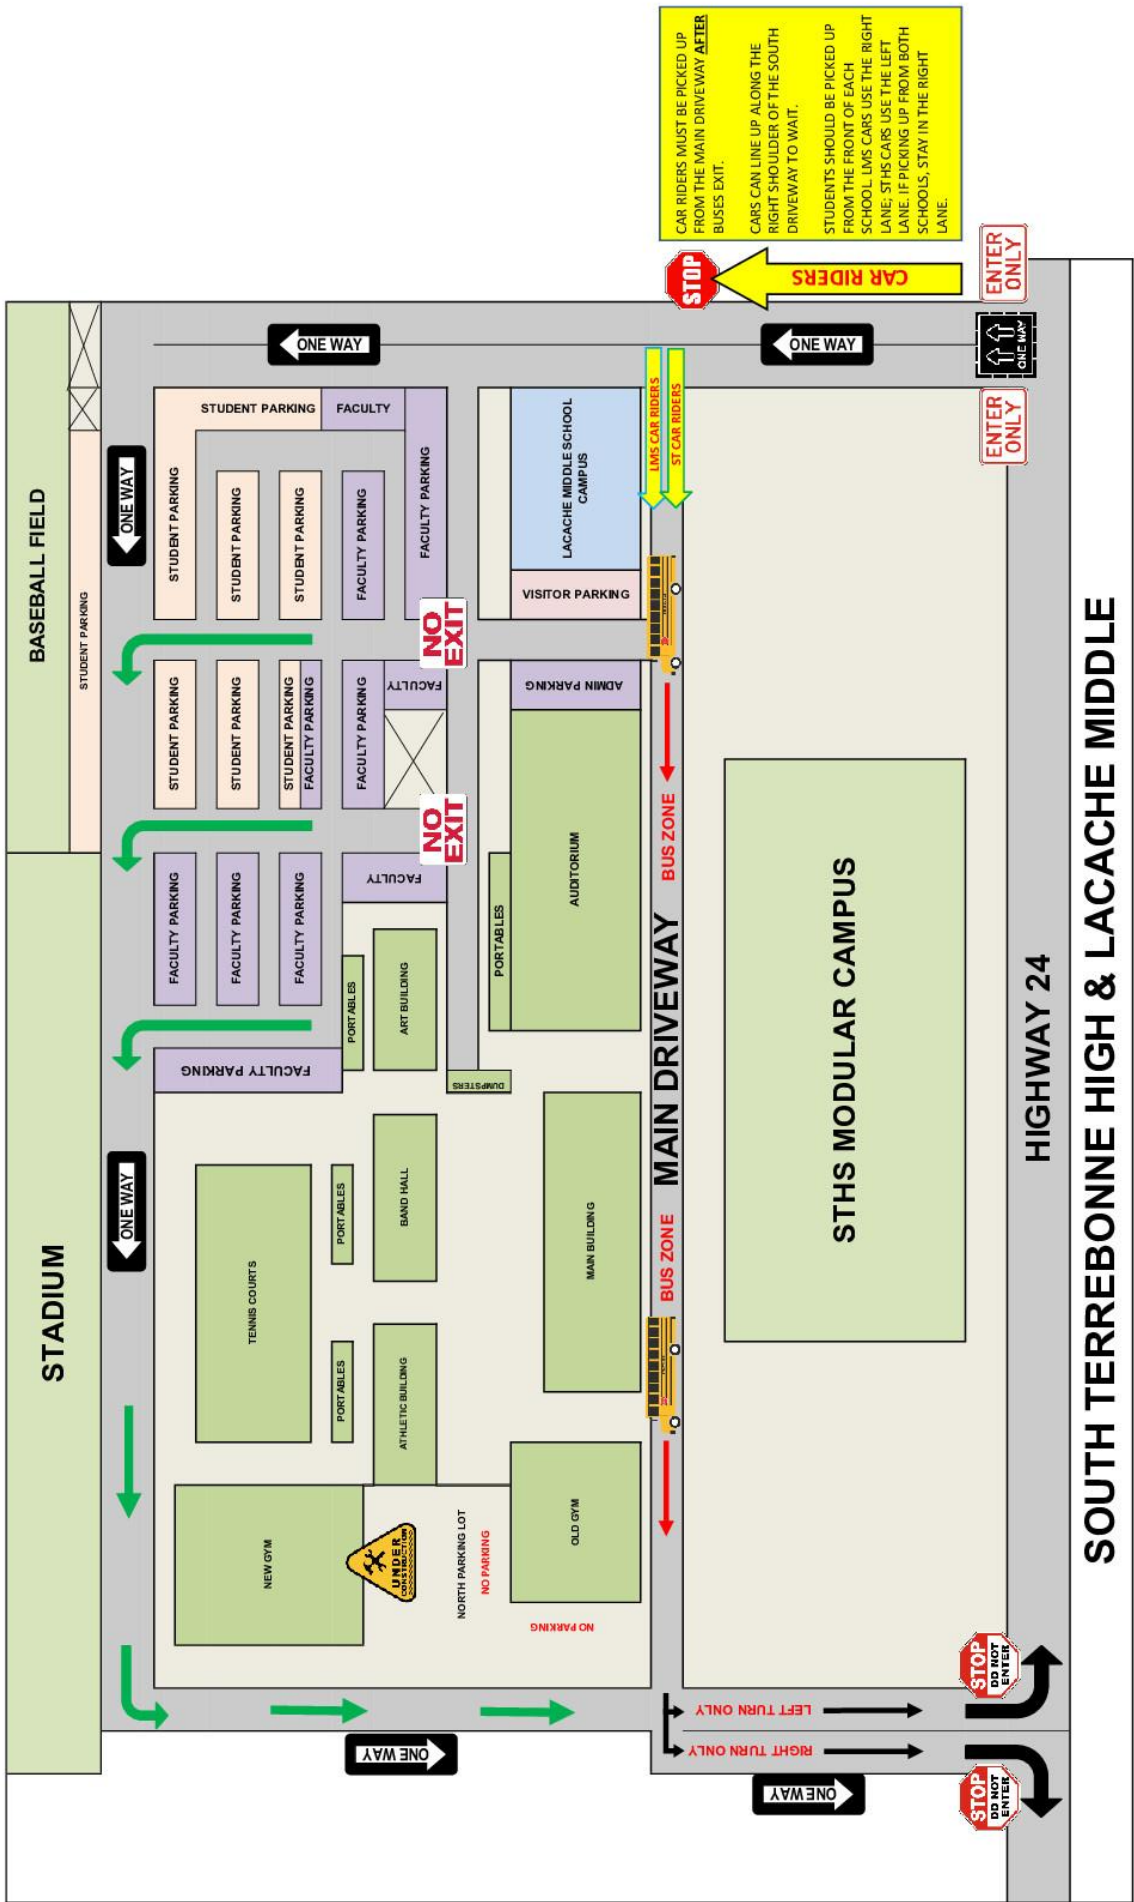

- Students may park in any parking space not designated for faculty/staff.
- The gravel parking lot near the baseball field fence should be used **only** by students who have PM TCT or Early Dismissal as this lot needs to be cleared by 7th period.
- Student drivers will be required to purchase a parking tag and must follow all traffic laws and school rules. **Driving privileges may be revoked at any time for failure to comply with procedures.** See Student Handbook for further details.
- Student drivers should be prepared for inclement weather (umbrellas, raincoats, etc.).

Dismissal: Student drivers should exit campus through the **north** driveway only.
